## Required as of 2021-2022 Season

Safety Equipment	Estimated Cost	Location for Purchase	Other Notes
Helmet	\$100	<a href="#">Special Equipment Vendor</a>	Bike Helmet works as well for 1st-2nd year athletes
Completely Cut Resistant Skin Suit	\$250	See Madison Coaches. MSSC will help to off set price with equipment grant	\$200 child, \$250 adult- Order occurs Yearly- Mid Oct. Cut Resistant Fabric Level 2 and 4. No neck guard required because cut resistant material covers neck area
Cut Resistant Gloves (Must be White)	\$13	<a href="#">Amazon- Dyneema Diamond Resistant</a>	To keep hands warm, wear glove liners or cotton gloves underneath
Eye Protection	\$16	<a href="#">Amazon- Safety Glasses</a>	Prescription, Sun, Safety glasses all work.
Short Track Speedskates	\$200	<a href="#">BONT Entry Level Package</a>	Coach Marty has several available for sale, Additionally used skates can be rented from equipment closet
Speedskating Guards	\$20	<a href="#">Special Equipment Vendor</a>	Hard guards are used to walk from locker room to ice. Debris on floor and strip and edge very quickly, unlike hockey and figure skates. NEVER STORE BLADES IN THESE, otherwise blade will rust
Soakers	\$20	<a href="#">Special Equipment Vendor</a>	Soakers ensure skate blades stay dry and don't rust
Bur Stone	\$5	<a href="#">Special Equipment Vendor</a>	Essential Skate Maintenance
Wrench - 10mm	\$5	<a href="#">Amazon- Wrench</a>	Most popular size for bolts-- essential for skate maintenance
Bag	\$0		Use any bag that fits your equipment nicely. Backpacks work great
Towel	\$0		Find an old rag or towel at the house and use to wipe down blades after every practice to ensure they don't rust
<b>Total Costs</b>	<b>\$619</b>		

## Optional

Safety Equipment	Estimated Cost	Location for Purchase	Other Notes
Semi-Cut Resistant Skin Suit	\$195	See Madison Coaches	If you purchases sem-cut resistant suit, it will suffice. An underskin will be required in 2021-2022 season
Cut Resistant Under Skin	\$300	<a href="#">Cascade Speedskating Vendor</a>	An underskin is required if a semi-cut resistant skin is being used. \$300 adult, \$250 child
Neck Guard	\$17	<a href="#">Amazon- Neck Protector</a>	If semi-cut resistant skin is being used, neck guard is required. Must have bib to fit under suit to minimize skin exposure
Cut Resistant Ankle Sleeves	\$30	<a href="#">Casade Speedskating Vendor</a>	If skin suit is too short in legs and skin is exposed, use ankle sleeve to protect skini
Tips	\$15	<a href="#">Specialized Equipment Vendor</a>	Tips help once able to touch the ice in the corner, plus as an entry level, you start to feel like a speedskater
Mouth Guard	\$25	<a href="#">Amazon- Minimalist Mouthguard</a>	SISU provides a great minimalist mouthguard for extra protection. Coach Mary uses this in competition
Wax Laces	\$10	<a href="#">Amazon- Derby laces</a>	Wax laces are amazing and help keep the boot tight throughout practice. No more readjusting every 10 min. Derby laces work great
Shin Guards- Hard or Soft	\$10	<a href="#">Amazon- Soccer Shin Guards</a>	2020-20221 Season- If no skin suit or old suit from equipment closet is being used, add hardshin guards to ensure safety and reduce potential of being cut
Sharpening Stones	\$125	<a href="#">Specialized Equipment Vendor</a>	Stones are used to sharpen skates. Speedskatesk are manually sharpened, unlike hockey and figure skates
Sharpening Jig	\$250	<a href="#">Specialized Equipment Vendor</a>	There are many options. Here is one. Should sharpen every 2-4 practices. Make sure to speak with Mario. Alternative is to pay mssc member to sharpen-
<b>Total Optional Costs</b>	<b>\$977</b>
